Heliport Design and Construction

Council approved awarding a contract to design and manage the construction of the Elkford Helipad to be located at 2300 Balmer Drive, to Pennco Engineering Ltd. The project is scheduled to be completed in 2014.

RDEK Public Library Grants-In-Aid

Council consented to the adoption of the proposed Regional District of East Kootenay amendment bylaw that will increase the annual maximum requisition of the Public Library Service. If the bylaw is adopted by the RDEK, the average single family home in Elkford could contribute to a maximum of approximately \$7 annually to fund this service.

Bylaws

Cross Connection Control Bylaw No. 756, 2014

The District of Elkford Cross Connection Control Bylaw was adopted. The District will commence phasing in the requirement for installation of backflow devices in the premises of industrial, commercial and institutional users.
