Trans Canada Trail

Representatives from Trans Canada Trail (TCT) and Fernie Trails Alliance presented information about proposed Elk Valley Community Trail between Elko and Round Prairie. Sections of the TCT have been built throughout Canada since the program was launched in 1992. The TCT is 75% completed. The section between Line Creek and Elkford requires a local steward is. Funding is available to build a non-motorized trail.

Boivin Creek Bridge

Council approved a purchase of a replacement pedestrian bridge on Boivin Creek. The bridge is part of the dike improvement work that resulted from the 2013 flood. The new bridge will be located west of the existing bridge.

Bylaws and Policies

Development Approval Information Bylaw No. 773, 2015 was adopted. The bylaw establishes the procedure for staff to request development approval information when considering applications for Zoning Bylaw Amendments, Development Permits, or Temporary Use Permits.

Building and Facility Naming Policy No. 2012-01 was amended to provide consistency in the naming of the baseball diamonds.
