Deer Management

Council approved conducting a second deer survey for Elkford residents to assist the District in determining the course of action for future urban deer management options. The survey will launch on Wednesday, January 18, 2017. The District will hold an Open House, also on Wednesday, January 18, 2017 from 6:00 pm to 8:00 pm at the Community Conference Centre for all interested members of the public, to provide information on deer management in Elkford.

Abruzzi Heights Infrastructure

The District of Elkford awarded the contract for the Abruzzi Heights Infrastructure Replacement Design and Project Management to McElhanney Consulting Services Ltd. The project will be started in 2017.

Wapiti Ski Hill Feasibility Study

The District will enter into a contract with Ratnik Industries for a feasibility study for Snow Making Equipment for the Wapiti Ski Hill. This study will determine what investments would need to be made to provide snow making capability, how it could impact the operation of the hill, and to determine if it would be sustainable.
