Council Procedure Amendment Bylaw No. 805, 2018 Adopted

Wondering what the purpose of a Council Procedure Bylaw is? The Council Procedure Bylaw defines the general procedures that are followed by Council and Council Committees in conducting business.

Why did it need to be amended? As a result of the upcoming 2018 local government election, there have been recent changes to the *Community Charter* and *BC Election Act* that resulted in the need to amend the bylaw. The amendments include minor changes that meet legislative requirements and better reflect Elkford's Council meeting proceedings.
