

Ready for summer? Of course you are!
But, are you ready for a **SAFE** summer?

Spring into **SAFE** Summer Challenge

How it Works:

- You challenge yourself to be safely prepared for swimming and boating-related activities through a series of challenge activities that will teach you water skills and awareness.
- Everyone is welcome to participate!
- June 7th - July 7th during any public swim.
- You will have 4 categories to complete (only 1 at a time):
 1. Boating safety
 2. Throw bags
 3. Swim to survive
 4. Safe rescue of others
- Regular admission rates apply.
