

## **Council News, June 9, 2014**

### **2014 Annual Report**

District of Elkford 2014 Annual Report has been approved by Council. The Community Charter requires Council to prepare an Annual Report regarding financial and operational information related to the municipality. The Annual Report incorporates the progress on Council's Strategic Plan and the audited 2013 financial statements. The Report is available at the District Office or District website.

### **2013 Auditor's Report**

Don Simpson, of the District's auditing firm BDO, reported that the 2013 audit did not show any irregularities in the finances of the municipality. There are good controls in place to manage the budget and to monitor and plan the revenues and expenditures.

### **Second Annual Charity Golf Tournament**

The District approved the free use of the Elkford Community Conference Centre for the Bearspaw Contracting 'Community First' Society, to hold their second Annual Charity Golf Tournament on July 24 and 25, 2014. The purpose of the Tournament is to raise funds for the Wapiti Ski Hill lift upgrade in Elkford and the upgrade and expansion of the Lilac Terrace Assisted Living Complex in Sparwood.

### **Seal Coating Contract**

The District of Elkford awarded the Seal Coating Contract to Pounder Emulsions – Division of Husky Oil Limited. The company, in cooperation with the Public Works Department, will provide seal coating of selected asphalt roads to prolong the service life of the road. The areas to be seal coated this year are: Phase 9 (Deerborne Subdivision) and Light Industrial Park (Front Street and Water Street).

### **Front End Loader**

Council approved the purchase of a new front end loader from Inland Kenworth Parker Pacific. This equipment will assist Public Works operators with year round maintenance of Elkford roadways.
