Bylaws

The Official Community Plan Amendment Bylaw No. 788, 2016 and the Zoning Amendment Bylaw No. 789, 2016 received their first readings. The proposed amendments are to include currently unzoned areas into the Zoning Bylaw, to consider residential development in areas designated Forest and Recreational Resources by the OCP, and to add a new Large Holding Zone to the Zoning Bylaw. The District will initiate consultations with various agencies and the public before adopting the bylaws. The following map outlines the affected land:

All District of Elkford bylaws and policies are available on our website at www.elkford.ca.
